RADIONICA IZRADE PANDIŠPANJA

Naziv ovog jednostavnog kolača potječe od talijanskog „pan di Spagna“. Pandišpanj je tradicionalni dalmatinski kolač koji je nekada bio neizostavan desert na blagdanskoj trpezi. Pravi se od domaćih jaja, šećera i brašna, a obvezno se dodaje korica limuna i malo prošeka koji ublaže miris jaja. Njegov okus uvijek vrati lijepe slike djetinjstva. Odlično ide uz kavu ili prošek.

It is made from local farm eggs, sugar, and flour, and one must be sure to add lemon zest and a little sherry to mitigate the scent of the eggs. Its taste always brings back beautiful memories of childhood. Pandišpanj goes well with coffee or Dalmatian prosecco, called “prošek”.

Depending on the skill of the cook and the secret family recipe, the colour of the kontonjata varies from light brown to dark red, and it is served on bay leaves which then adorns holiday tables.

RADIONICA IZRADE ARANCINA I BRUŠTULANIH MJENDULA

Arancini i bruštulani mjenduli su nezaobilazne delikatese tradicionalnih dubrovačkih trpeza. Arancini se pripremaju od neprskanih korica domaćih naranača iz dubrovačkih đardina. Posebno su aromatični i interesantni arancini od dubrovačke ljute naranče iz Deše. Bruštulani mjenduli se poslužuju kao bomboni uz suhe smokve i arancine te kapljicu domaćega likera. Arancini i bruštulani mjenduli često su dio slatkih poklona ili suvenira koji su sve traženiji turistički proizvod. Naučite i vi pripremiti domaće arancine i bruštulane mjendule i razveselite drage ljude ovom dubrovačkom slatkom delikatesom!

WORKSHOP: TRADITIONAL “ARANCINI” AND CAMELIZED ALMONDS

Arancini and caramelized almonds are unavoidable delicacies of traditional Dubrovnik tables. Arancini are made from the skin of home grown organic oranges from Dubrovnik gardens. The arancini made from DEŠA's sour oranges are especially aromatic and interesting. Caramelized almonds are usually served as candies with dried figs and arancini along with a small glass of homemade liqueur. They are often part of the sweet gifts or souvenirs that have become increasingly popular tourist products. Learn how to prepare homemade arancini and caramelized almonds and bring cheer to those dear to you with these sweet Dubrovnik delicacies.

Ovaj zadržljivo zabavni emotivan film priča je o ljubavi prema hrani, o ljubavi između dvoje ljudi i o snazi koju nosi druga šansa. Chef Adam Jones imao je sve, i sve je izgubio. Rock-zvijezda s dvije Michelinove zvjezdice, lošim navikama i reputacijom bivšeg enfant terrible pariške ugostiteljske scene svaki bi put sve učinio - drugačije. Jedino do čega mu je ikad bilo stalo bilo je uzbuđenje stvaranja eksplozije okusa. No, da bi dobio svoju kuhinju i onu treću zvjezdicu koju Michelin dodjeljuje, a njemu neprestano izmiče, morat će na svoju stranu pridobiti one najbolje, uključujući i prelijepu Helene.

Premier BURNT

Comedy / drama

Director: John Wells

Leading roles: Bradley Cooper, Jamie Dornan, Sienna Miler, Uma Thurman

This amazingly fun, emotional movie is the story of the love of food, about love between two people, and the power carried by a second chance. Chef Adam Jones had everything – and lost it all. A rock star with two Michelin stars, bad habits, and the reputation of formerly being the enfant terrible of the Parisian restaurant scene, every time he would do something, he would do it differently. The only thing he ever cared about was the thrill of creating an explosion of flavours. But to get his kitchen and the third star awarded by Michelin which constantly escapes him, he will have to win over the best, including the beautiful Helene.

ETNOGRAFSKI MUZEJ RUPE

U obnovljenoj zgradi Žitnice Rupe otvoren je 1991. godine novi stalni postav Etnografskog muzeja čiji fundus sadrži oko 5000 predmeta. U Žitnici, zgradi iz 1590. godine, koju je sagradila dubrovačka Vlada u najstarijem dijelu Grada, na otočiću Lave, čuvale su se gradske rezerve žita u 15 velikih bunara-spremnik uklesanih u kamenu u prizemlju. Obnovom je sačuvan izvorni izgled prizemlja, otvorena su tri bunara-rupe, arhitektonski naglašena ogradom. Stalni postav prikazuje tradicijsku kulturu dubrovačke regije - gospodarsku i materijalnu na prvom katu i duhovnu (običaji, narodne nošnje, folklor, tekstil i čipke) na drugom katu. Za sve koje zanima povijest dubrovačkoga kulinarstva, blagdansko ukrašavanje trpeza, tradicionalni način prerade grožđa... sve se to krije u Muzeju Rupe.

ETHNOGRAPHIC MUSEUM "RUPE"

In 1991, the new permanent exhibition of the Ethnographic Museum containing about 5,000 exhibits was opened in the "Rupe" granary. The granary building, which dates from 1590 and was built by the Dubrovnik government in the oldest part of town on the islet of Lave, guarded the city's grain reserves in 15 large well-like containers that were carved into the stone in the ground. The reconstruction preserved the original appearance of the ground floor and opened three of the well-like holes that were then architecturally accented by fences. The permanent exhibition shows the traditional culture of the Dubrovnik region – economic and material on the first floor, and spiritual (customs, traditional folk costumes, folklore, textiles, and lace) on the second floor. For all who are interested in Dubrovnik's culinary history, decoration of holiday tables, the traditional way of processing of grapes...all of this lies in the "Rupe" Museum.
