

HOTEL BELLEVUE DUBROVNIK

Hotel Bellevue was proclaimed one of "Europe's coolest new hotels" by the British daily newspaper The Sunday Times.

Luxurious sailing boats served as inspiration for interior room decor and design: rooms are minimalist and elegant, but do not compromise on supreme comfort and luxurious amenities. The hotel has 91 sea-view rooms and suites, all of which have latest technologies included. Most rooms, including 13 luxurious suites and a superb "Lovor" presidential suite, have balconies.

Hotel Bellevue paints the picture of the most exquisite place in the world. Immerse into Hotel Bellevue's world of discrete luxury, natural details of the interior, combined with a breath of contemporary elegance and traditional Mediterranean charm.

DUBROVNIK

The golden walled city of Dubrovnik is one of the most celebrated beauty spots of the Mediterranean. It is a harmonious showcase of art and civil, religious and military architecture from the Renaissance and Baroque periods. Ragusa was one of the great trading powers of the eastern Mediterranean from the Renaissance to the Napoleonic era. Sidelined from history after that, it was spared ugly industrial development and survived intact, a beautiful city proud of its history and culture.
