Bathtub

Foldable bathtub is a real space-saver, perfect for hotel or private apartment bathrooms. Your newborn baby will absolutely love to bathe in it, and so will your four-year-old.

The bathtub has a lot of great functions, making it super easy to use. Easy to fold, Bathtub Cushion – for newborn usage, Super steady, non-slip design. Bottom plug - for easy draining.

CLEAN AND SAFE

At **Stroll 'n' Roll**, cleaning and safety are our top priorities.

We take extra measurements on how to properly clean the items to ensure every family is able to experience safe and spotless items.

We use non-toxic cleaners for our equipment. Each item is fully cleaned and sanitized, using deep steam cleaning, between two rentals..
