One of our advantages is continental –Mediterranean position which enables the production of top quality medicinal herbs and organic food.

The Mediterranean side imposes the need for contact with the whole Mediterranean and therefore, in 2004, we organized this fair as the first Mediterranean Fair of Healthy Food and Medicinal Herbs. Although this Mediterranean accent contains only a part of our country's space, our goal is to attract producers from all over Croatia and neighboring countries and this is being realized over the time.
