# ABOUT US

## A NEW INITIATIVE IN DUBROVNIK AREA

Dubrovnik tourism agency Dubrovnik Walk of Fame has launched an innovative new initiative to support the needs of families visiting area- Stroll'n'Roll Dubrovnik. Agency offers new umbrella strollers, baby carriers and car seats for rent. Our mission is to provide a home-like experience for parents and little ones.

## PACK LIGHT. TRAVEL HAPPY

While visiting the Old Town city walls or taking a ride with a cable car to the top of the mountain, a baby carrier will be of a great help. Stroll'n'Roll Dubrovnik offers the world's most breathable baby carrier, the Ergobaby Omni Breeze, making sightseeing easier and more accessible, while also providing a fun and comfortable experience for children.

# STYLE AND COMFORT

Stroll'n'Roll Dubrovnik offers umbrella strollers, such as Metro+ stroller from the well-known global manufacturer Ergobaby, McLaren strollers or similar.

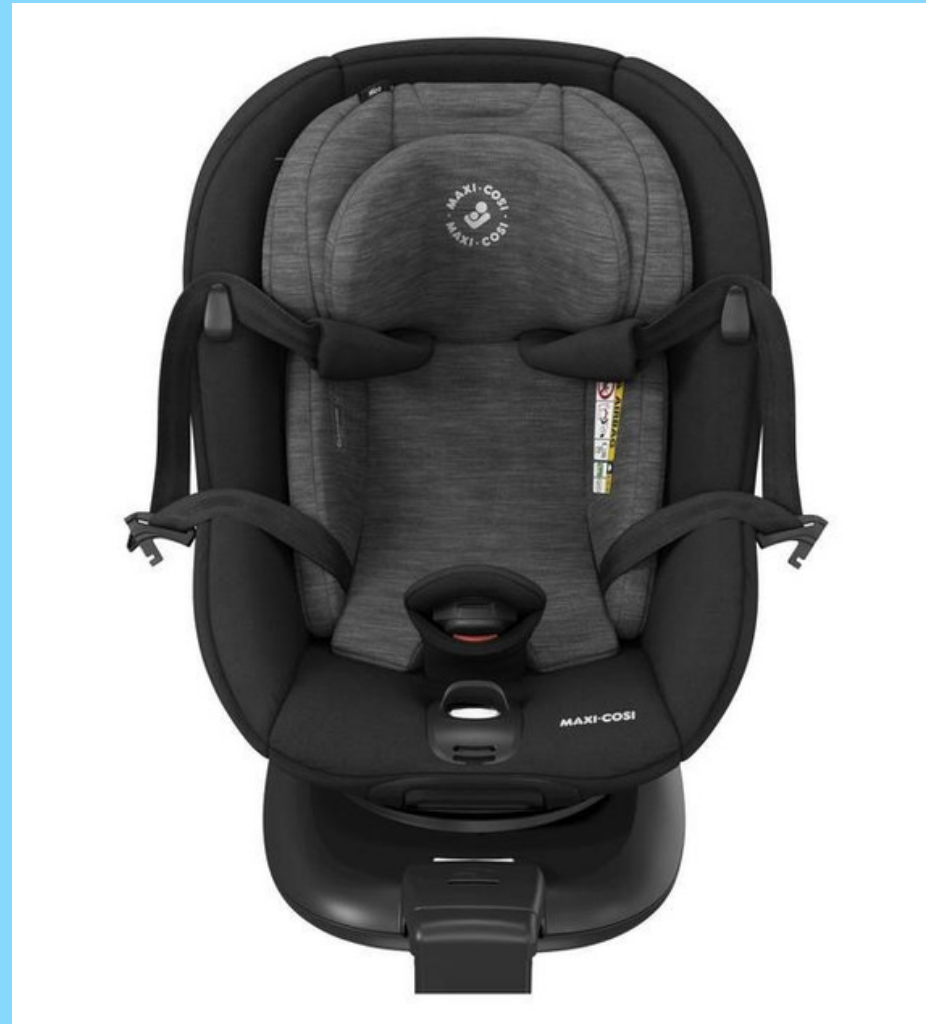

Lightweight umbrella strollers are easy to maneuver and can go anywhere. Strollers fold down quickly to a manageable size so it is easy to hop on a boat, storage them in the car or go sightseeing.

If the sightseeing tour coincides with the baby's nap time, some of our products have the ability to recline to a fully flat position, with adjustable leg rest and mesh for ventilation, allowing children to have a peaceful sleep even when on the move.

It's easy, one-handed fold allows for quick and easy storage in the trunk, climbing stairs or boarding a boat.

**Strollers are suitable for up to 4 years or 22kg.**
